RTO EXPANSION STAKEHOLDER TRAINING

Phase I

Introduction to RTO Membership

This virtual instructor-led session introduces new members to SPP's roles as a Regional Transmission Organization (RTO), Reliability Coordinator, consolidated Balancing Authority, and Market Operator.

[Click here to view the recording in the SPP Learning Center.](#)

The Q&A from each live session can be found under the "Resources" section of the recording.

Phase II

Topic-Specific Training

Phase II provides topic-specific training through a combination of virtual instructor-led sessions and self-study playlists of related eLearning courses. Each recorded session includes a Q&A document and additional resources, all located under the "Resources" section of the session link. A separate self-study playlist is also available for each topic to support continued learning in the SPP Learning Center.
